

## Cookie Policy

At **Evyra FX**, we use cookies to enhance your experience and improve the functionality of our website. By using cookies, we can better understand how you interact with our site, enabling us to tailor our services and provide content that is more relevant to your interests.

Cookies are essential for optimizing our website's performance, ensuring secure transactions, and helping us deliver a personalized experience for each visitor.

## What Are Cookies?

Cookies are small files stored on your device (computer, tablet, or mobile) when you visit our website. They contain information that helps us recognize your browser, track your usage patterns, and remember your preferences during and between visits.

---

## Why Do We Use Cookies?

We use cookies to:

- **Improve User Experience:** Cookies help us remember your preferences and optimize our site to make your visits smoother and more convenient.
  - **Track Site Performance:** They allow us to analyze how visitors use our website, which helps us identify areas for improvement and enhance our services.
  - **Target Relevant Content:** By tracking how you interact with our content, we can better tailor the information and offers we present, ensuring they are more relevant to your needs.
  - **Enhance Security:** Cookies are essential in keeping your data safe and secure, particularly when you're accessing sensitive parts of our site or making transactions.

## Types of Cookies We Use

At Evyra FX, we utilize several types of cookies to serve different purposes:

### 1. Session Cookies

These cookies are temporary and only last while your browser is open. They help us monitor your actions on the website during a single browsing session, such as remembering items in your shopping cart or securing your login. Once you close your browser, these cookies are deleted.

## 2. Persistent Cookies

Persistent cookies remain on your device even after you've closed your browser. They remember your preferences and settings for future visits, ensuring a seamless experience when you return to our site. These cookies also help us deliver more targeted marketing communications by tracking your activity over time.

## 3. Third-Party Cookies

We work with selected third-party providers (such as social media platforms) that may place cookies on your device. These cookies help us measure the effectiveness of our advertising campaigns and allow third-party providers to serve ads relevant to your interests. These cookies may be either session-based or persistent, depending on the third party's policies.

### Managing Cookie Preferences

You have control over how cookies are used on your device. You can manage your cookie settings directly from your browser. Most browsers allow you to:

- Block or restrict certain cookies
- Delete cookies after each session
- Receive notifications when cookies are being set

Please note that disabling cookies may affect the functionality of certain features on our website, and your experience may not be as personalized.
